Testimonials

Well organised fun event where we didn't have to do anything apart from stay alive!! Bryan ensured that the night flowed smoothly and that everyone had a great time.

For our annual conference this year we wanted to do something special... Bryan is your man and trust me, you won't be disappointed!
- Andrea Rolando, Pirelli Tyres

Dress up, suspense and lots of laughs. It went too quickly. We had a lot of fun and it was a great team building exercise, really enjoyed the dress up and Bryan was an excellent host.

Killer Fun

What Is It?

A **Murder** mystery game is a themed event. It is an interactive role-playing game, that involves solving a mystery which is based on clues at the scene of a staged crime.

Each party guest dresses up and plays a character involved in the mystery...

Somebody has committed a **murder!**

Everyone is a Suspect!

During the course of the party, everyone uses their master sleuthing skills to find out who the **Murderer** is.

(The **Murderer**, of course, schemes and plots to avoid detection!)

These games often include other plots, and everyone becomes embroiled in a hilarious time of scheming, plotting, backstabbing & blackmailing each-other.
