## **The Village Trail**

Cannot recommend Country Food Trails more highly.

Far from a stuffy ride for tourists, the whole experience felt like catching up with old friends, personalised and intimate, curated with consideration and care.

We left with huge smiles and armed with an insiders insight into Orange.

## **The Tasting Trail**

We had a great time with Nicole, she knows her subject, so interesting that you don't want it to end.

3 hours passed so fast, we should have booked an entire day trip.

We had such an amazing experience! Honestly, this was the best tour we ever did in Australia. Nicole was super friendly, very knowledgeable, relaxed, and brought us to the best places.
