

ERINA ICE ARENA

TEAM BUILDING/EVENT ACTIVITY

We are an Olympic sized ice rink in the heart of the Central Coast. Located in Erina Fair, just 5 minutes drive from Terrigal beach and 15 minutes from Gosford. We can provide a fun, inclusive recreational activity for your event. For large bookings we can provide the entire facility for private hire.

Our Nightlife music license allows us to craft a customized playlist for your session and for bookings after 8pm, we can turn the facility into your own disco party.

We have a small boardroom onsite for meetings, and can also collaborate with the library upstairs for larger meeting rooms.

Our on-site café is fully equipped to meet all your catering requirements and we can personalize a menu to suit your preferences.

We can also bring other suppliers in to make your experience extra special - gelato cart, decorations, mixologists, etc.

We have an amazing team of professional figures skaters at our rink who can entertain your group with a magical performance.
