MONA FARM IS NOT YOUR TRADITIONAL CORPORATE DESTINATION.

We've redefined the cookie-cutter 'corporate retreat' in a refreshingly contemporary way, creating engaging experiences that foster collaboration, connection and inspiration.

Following one of the greatest disruptions in generations, our post-pandemic workplace has radically reshaped employees' working environment & expectations. With fewer office encounters, employees are craving meaningful in-person interactions more than ever. Our mission is to make these count.

From large-scale workshops through to incentive programs, board meetings and intimate C-suite retreats, we'll give your team the space to recharge, re-engage and reconnect.

Step away from your ordinary environment and allow us to reward your team with an extraordinary experience.

From Canberra – 1 hr drive

BY AIR

THE ART

SCENIC HELICOPTER FLIGHTS

ORGANIC VEGETABLE GROWING

Led by our local partners Wynylen House, our organic Vegetable Growing Workshop will give you all the skills needed to develop your own thriving vegetable garden.

COLLECTOR WINE TASTING

Join us at the bar to enjoy a private wine tasting with Canberra's Collector Wines. Paired with a selection of Seasonal Chef's Snacks, you'll learn about the different varietals that flourish in our region, their tasting notes & of course, will try some spectacular vintages.

BRAIDWOOD GOLF COURSE

One of the most picturesque golf courses in the region, The Braidwood Golf Club offers a 9 course golf course. Featuring a range of tight tee shots and small targets, the course provides a challenging layout and should not be missed by the keen golfer.

FLY-FISHING

Located in the heart of our estate, Mona Lake supports a healthy population of rainbow trout. Treat your team to a unique catch-and-release fly fishing lesson with our internationally qualified instructor, Lyall.
