Twilight Farm to fire feast ... a regenerative dining experience

Picture this...

Local, biodynamic wines, delicious food cooked on an open fire, and a breathtaking setting that highlights the best of what nature has to offer. Our commitment to reducing food miles means that every bite and sip is sourced close to home, supporting local farmers and celebrating the flavours of the Southern Highlands.

So much more than just a meal... it's a bespoke experience designed to connect you with the land, the people, and the passion behind every ingredient. Join us for an unforgettable journey that celebrates sustainability, local excellence, and the magic of the open fire.

These truly unique *experiences* combine sustainability with the beauty of the Aussie bush...

Empower your day in nature... Meditation, Journaling & Campfire Breakfast

Kickstart your team's day with a rejuvenating experience set in our 30 acre 'untouched paddock' that borders the Nattai National Park.

Breathwork and meditation are powerful tools for reducing stress, enhancing focus, and promoting emotional well-being.

By calming the mind and regulating the nervous system, these practices help increase mental clarity and resilience.

Time spent in nature further amplifies these benefits. Together, these practices nurture both the mind and body, providing a restorative experience that enhances overall well-being.

Note: open fires are subject to fire bans
