

## ABOUT US

Established in 1877, The Albury Club is a symbol of Australia's British heritage and an iconic piece of our region's history.

The building is of architectural significance as a rare example of a nineteenth-century purpose-built clubhouse.

Step out of the hustle and bustle of the Albury CBD and be transported back to an era of old-school charm and warm hospitality.

With beautiful event spaces, fabulous cuisine and an attention to detail, the Albury Club is the perfect venue to host your event!
