# ABOUT US

Modus is a spectacular architecturally designed and state-of-the-art venue, alongside a fully operational award-winning brewery, set in the heart of the beachside suburb of Merewether, Newcastle.

The breathtaking space can house around 300 people that can enjoy delicious, brewery-fresh Modus beers and beverages poured from 36 frosty taps, as well as innovative cocktails and an extensive wine and spirit list.

The menu is as delicious and innovative as the drinks on offer; elevated pub fair with a sprinkle of fresh South American. Our bar and kitchen use fresh Australian ingredients and (as much as possible) we source our extensive range of liquors, spirits and wines from local producers.

# FUNCTIONS AT MODUS

At Modus Merwether we offer a range of spaces and options for a vast array of events.

From a hens lunch in our private dining room to a 300 person wedding or even your company's next off site workshop we have you covered.

We can cater for multi-course sit down events, premium canapé parties, kids parties, corporate days in our large boardroom with add-ons such as brewery tours, beverage gift packs and of course even good old fashioned casual get togethers.

A high-speed photograph capturing a moment of liquid motion. A clear, pale yellow liquid is being poured from a glass pitcher into several ornate, faceted crystal glasses. Each glass is partially filled and garnished with a single, vibrant red chili pepper. The glasses are arranged in a cluster, and the liquid's splash and the chili peppers' positions are frozen in time, creating a sense of dynamic energy. The background is softly blurred, showing hints of green foliage and a white textured surface. The text "SPECIAL EVENTS" is superimposed in a large, white, sans-serif font across the middle of the image.
