LET'S TAKE YOUR CONFERENCE TO NEW HEIGHTS

Step out of the ordinary and into the extraordinary with Thredbo's adventure conferencing.

Swap fluorescent lights for alpine sunsets and stale coffee for crisp mountain air – all while enjoying classic conferencing facilities in one of Australia's most inspiring locations. Dare to adventure with unforgettable breakout sessions: ride the thrilling Alpine Coaster, challenge your teams to compete in a custom-designed amazing race where teamwork is the ultimate winner, or join a guided ride along the picturesque Thredbo Valley Track.

Prefer a slower pace? Play 9 holes of golf or try your hand at frisbee golf. Re-centre with a riverside yoga session or reconnect with nature on guided or self-led alpine hikes. This is conferencing, reimagined – where fresh thinking flows as freely as mountain streams, and every moment is a chance to energise your team and elevate your experience.

WORLD CLASS RESORT ACTIVITIES

THREDBO'S AMAZING RACE – THE ULTIMATE TEAM CHALLENGE

Inject energy and friendly competition into your conference with a custom-designed Amazing Race through Thredbo Village and surrounds. Teams will navigate scenic checkpoints, complete alpine-themed challenges, and solve puzzles while exploring some of the resort's most iconic locations – from the Alpine Coaster and Gondola to riverside trails and disc golf.

Designed to encourage collaboration, creativity and connection, this engaging activity is a standout way to break the ice, build team spirit, and make the most of Thredbo's breathtaking alpine setting.

ALPINE COASTER – AUSTRALIA'S FIRST YEAR-ROUND ALPINE COASTER

Add a thrill to your conference itinerary with a ride on the Southern Hemisphere's first year-round Alpine Coaster. Spanning 1.5km through Thredbo's stunning alpine environment, this unique experience lets passengers control their own speed – up to 40km/h – as they cruise through tunnels, over bridges, and around exciting twists and turns.

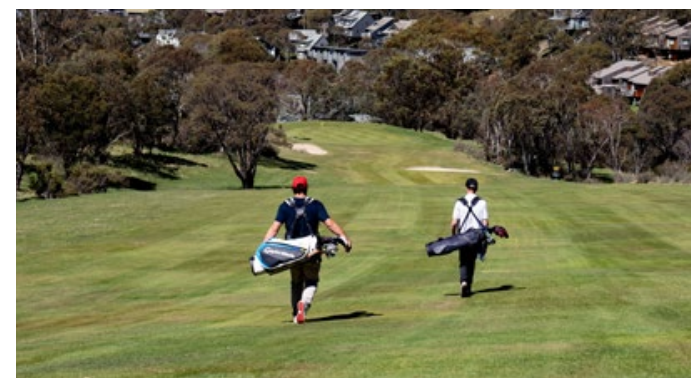

Whether you're chasing an adrenaline rush or enjoying a scenic glide, it's a breakout activity your team won't forget.

ALPINE GOLF & DISC GOLF – FRESH-AIR BREAKOUTS WITH A VIEW

Step outside and unwind on Australia's highest golf course, nestled at the base of the mountain and tracing the scenic Thredbo River. This 9-hole alpine course features wildflower-lined fairways, eucalyptus surrounds, and playful challenges like the Snake Pit and Wally Wombat's House – offering both casual enjoyment and rewarding shots for seasoned players.

Looking for something different? Thredbo's 18-hole disc golf course offers a fun, low-impact alternative. Played with flying discs instead of clubs, the course winds through bushland and open alpine fields, surrounded by sweeping mountain views. It's accessible, social, and great for all ages and abilities.

Both experiences provide a refreshing way to reconnect, recharge, and enjoy the natural beauty of the Snowy Mountains between conference sessions.

WORLD CLASS RESORT ACTIVITIES

HIKE IN THE HEART OF THE HIGH COUNTRY
