# EXTEND THE VENUE CAPACITY WITH A MARQUEE

Marquees allow us to easily extend our venues and support very large groups, creating covered spaces for dining, activities and group movement. Suitable for external caterers, breakout zones and branded activations, these structures provide flexible, weather secure environments that integrate seamlessly with your program.

Working with multiple suppliers, we can scale marquee builds to suit group size, program flow and operational requirements, offering reliable wet weather back ups for activities, additional event space and improved guest comfort throughout the day.

## IDEAL FOR

- Extremely large groups
- External caterers
- Extending the venue
- Break out areas
- Wet weather back up for activities

# CATERING

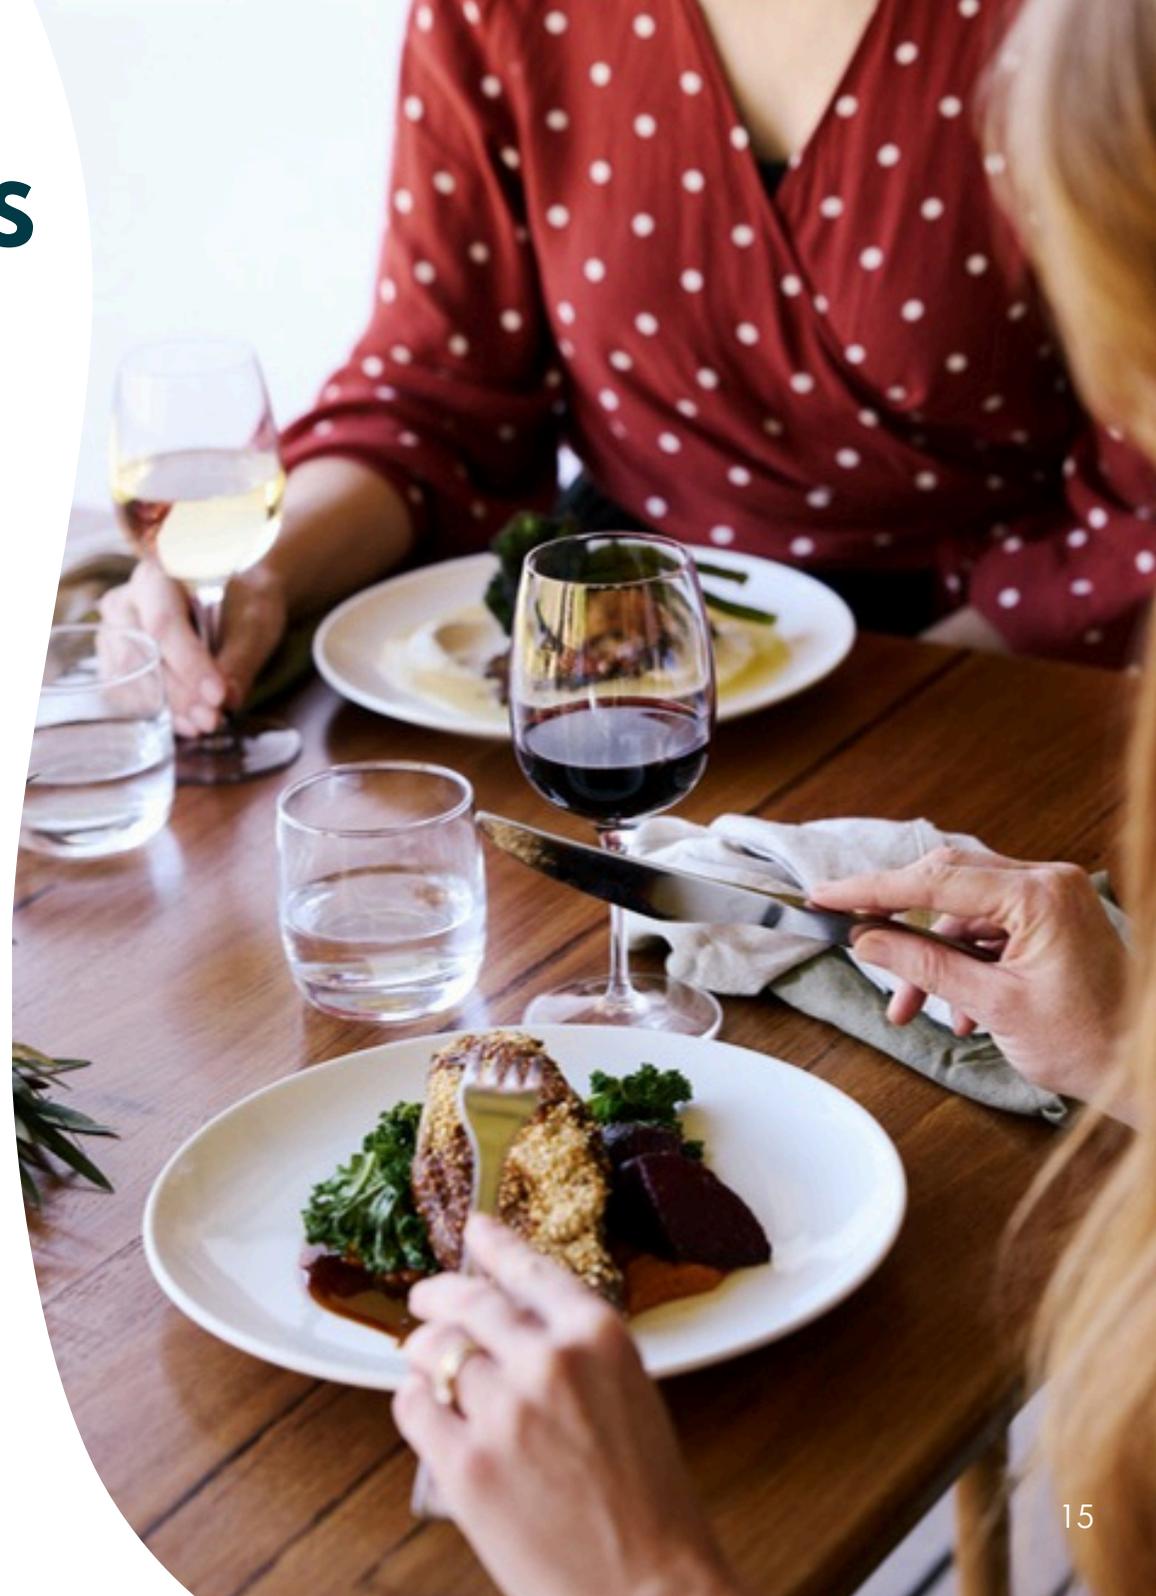

# CATERING THAT ELEVATES EVERY EVENT

From elegant gala dinners and refined canapé receptions to long-table feasts and our signature Glenworth Valley BBQ, our culinary team delivers five-star dining experiences at scale. Using premium, locally sourced ingredients, we design menus that elevate each event and align seamlessly with its purpose, audience and tone.

Our catering approach is highly adaptable, allowing us to enhance the experience whether you're hosting a leadership retreat, awards night, product launch or large scale corporate gathering. Menus can be styled to complement formal, relaxed or immersive event formats, ensuring food becomes a key part of the overall experience rather than an afterthought.

For bespoke concepts, brand led moments or specialist cuisine requirements, we also collaborate seamlessly with trusted third party caterers. This flexibility allows us to deliver a dining experience that is polished, memorable and perfectly aligned with your event vision.
