THE TEAM

During the week there is a team of River View Island staff preparing the venue and grounds for your event. Making sure visual impact on arriving to our beautiful property is a breath of fresh air. With freshly manicured grounds, a picturesque backdrop just awaiting. Game day, there is another team of River View Island staff putting their hard work and hearts into your event, making sure everything is on point.

We aim for you to have a wonderful day, where you are able to enjoy every moment.

As part of a small community in the Nambucca Valley and the ongoing challenges that come with small business ownership, River View Island aims to create a sustainable network of small business folk out there having a go. People who take pride in their work and provide quality local products, produce and materials. Please visit our socials and check out our wonderful range of suppliers.
