

The Whale Narooma: Your Private Coastal Sanctuary.

The Whale is the culmination of Merivale CEO Justin Hemmes' vision to create an experience-led destination on one of Australia's most spectacular coastlines.

An 18-key boutique hotel set in the picturesque New South Wales seaside town of Narooma, The Whale overlooks the turquoise waters of the Wagonga Inlet.

Featuring a magnesium pool, sauna, ice bath, sunset-facing fire pit, landscaped gardens, pickleball court, and Cantonese favourite Queen Chow adjoining the property, The Whale is designed entirely around creating memorable guest experiences whilst showcasing the beauty of Narooma.

Available for exclusive buyouts, the entire property becomes your private coastal retreat, an open canvas perfectly designed for your next event.
