

THE TWYFORD

INFORMATION FOR CONFERENCE ORGANISERS

THE TWYFORD is an arts & conference centre located in Merimbula NSW, on the beautiful Sapphire Coast, halfway between Sydney and Melbourne and within 3 hours' drive of Canberra.

We are a professionally managed and programmed venue that offers venue hire, front of house/marketing/ticketing and technical services, with spaces to suit many different types of events.

Merimbula is in high demand during holidays periods when our population grows threefold with tourists and visitors who have holiday houses in Merimbula, but is quieter at other times of the year when the weather is still very pleasant. Whale watching is a particular drawcard during the Spring and activities such as First Nations cultural tours, lake and beach fishing and walks, kayaking, fishing, golf (5 courses) and surfing are also popular.

A useful venue for people meeting between NSW, Victoria and the ACT on the coast, our venue is within 3 minutes' drive of Merimbula Airport (Rex & Qantas).

We offer boutique conference/meeting spaces, with a high speed NBN fibre network connection that enables streaming in and out from the Theatre, and many restaurants, bars, clubs, cafes and accommodation options within walking distance of the venue including motels, apartments, AirBNB houses & units, camping and caravan parks.

See some of the business events we have hosted at:
<https://thetwyford.com.au/venue-hire/business-events/>

Market Street facade with Theatre Foyer (top left), Main Door (centre) & Hall (right)

THEATRE opened in 2025 with state of the art stage lighting, sound and AV, lectern & Stage Manager Desk, streaming in/out over NBN FTTP link and in-house technicians to plan and manage your event's requirements.
