BOWRAL CELLAR DOOR

Hosted Wine Tasting for Teams

South Coast NSW | At your venue

Slow down. Gather. Share something new.

Bowral Cellar Door brings a hosted wine tasting to your venue. Phones go down and your team gathers around one table to taste, talk and reconnect. It's an afternoon people remember long after the offsite ends.

YOUR HOST

Sean is WSET qualified, a member of Sommeliers Australia and a licensed NSW Approved Manager. He shares the stories behind every wine: the makers, the land and the cool climate that shapes each glass.

THE WINES

A curated line-up of cool-climate wines from Southern Highlands producers, large and small. Many have no cellar door, so these wines are hard to find anywhere else.
